Miller Avenue Santa Parade Float—please note, due to number restrictions, only children Year 3 and under can be offered a place on the float. Planning for this years float is well underway with a good response.

Band Workshop On Monday 21st November, we are having a special Band Workshop day for some of our music students. The Katikati College Band is coming to Miller Avenue School for the day and will work with our students. The College has a great band with students from Years 7-13. It has had considerable success at band festivals in Hamilton and Rotorua and is lead by Mrs Wendy Fleming (HoD Music).

At 1.30pm we will perform a concert in the School Hall with everyone involved in the day taking part. Please come and enjoy this great visiting band and support our students.

Flower Show—The flower show is on tomorrow with students completing flower projects and entering sections as listed on the forms sent home last week. There are three different sections; junior, middle and senior and students can complete 5 or more sections. Please ensure you have the correct entry forms for your child.

Ohinemuri Athletics will be held tomorrow at the domain for those students who have progressed from the school athletics. Please be at the domain by 9am wearing suitable clothing as the event will be going on rain or shine. There will be a managers meeting at 9am sharp. St Josephs will be running the tuck shop so please support them.

Online Safety - It has come to our notice that a number of children, not at our school, have been on a website linked to pedophiles where children have been groomed and asked to put compromising photos of themselves online. The principals association and Miller Avenue School have ensured that the site is unreachable from school computers but the site will be accessible from home. So, please be vigilant in checking what your children are viewing online and who your children are talking too.
