

MASCOT

24th November 2016

Kia ora Parents/Caregivers,

The children have been working on their STEM (Science, Technology, Engineering, Mathematics) projects and these were displayed at the Paeroa War Memorial Hall with Miller Avenue School being the only school covering engineering.. The board of trustees supported the plan to make STEM subjects a focus and each class purchased educational products

with our school concentrating on engineering. The students have shown the progression of engineering skills from year 0 to year 8 using increasingly difficult equipment.

Band Workshop

Due to unforeseen circumstances the band workshop did not happen last week but will now be held on the 5th December. More information will be provided in next weeks Mascot.

Junior Athletics

Third time lucky with the junior athletics and lots of fun was had by the students. Plenty of running, jumping and running which is always enjoyed by the littlies with plenty of energy.
