6th April 2017

Kia ora Parents/Caregivers,

On Tuesday during the strong winds of Hurricane Debbie, our paper recycling bin blew over and the paper swiftly blew up the road and away. This has been an ongoing problem and the reason why the Ministry of Education has built a rubbish bin enclosure at the front of the school. The enclosure is just about finished and will stop this problem happening in the future. So, many apologies to our neighbors on Miller Avenue.

Parent/Teacher Interviews—Thank you to all parents who attended parent/teachers interviews, all the teachers really enjoyed the interviews and gained a lot of useful information about the children. If you missed the interview and still would like to make a time to see the teachers, call the office to arrange a time to meet.

Resources Needed—We are in need of Ice Cream containers and supermarket shopping bags for use at school, so if you have a stock of these at home, we would greatly appreciate them. Thank you.

Second Hand School Jerseys for sale from the school office. We have a number of second hand jerseys for sale in various sizes. These will be \$15 which will include the cost of embroidering your name on the jersey at Paeroa Embroidery.
