

# MASCOT

4th May 2017

Kia ora Parents/Caregivers,

Welcome back to Term 2, 2017. Its great to see everyone back after the break. Its road safety week coming up soon and we have noticed a lot of children with no helmets and unsafe bikes. Please check bikes to ensure they are safe, as we don't

want accidents before and after school. We are already thinking about fundraising for the Wellington trip and an initial planning group will be convened this term as we need to start fundraising. The Wellington trip will be held in 2018 covering students currently in Years 4—7. The board encourages families to start making payments if they have children attending next year.

**Uniform Shirt Collars**—over the last few months, we have been engaged in talks with Leonie from Paeroa Embroidery and the manufacturer of our school uniform shirt with regard to some faulty stitching on the shirt collars. We have come to the agreement that in the first instance, Leonie will do a check of the collar stitching before sale and the purchaser will check collar within the first month and return to Leonie if any fault has occurred. If any faults occur within 6 months from purchase, the shirts will be replaced. **Please ensure you keep your receipt as proof of purchase.**

**Whanau Meeting** Next Thursday 11th May at 4pm in the school hall. This meeting is to provide feedback on initiatives and curriculum for Tikanga and Te Reo. All Whanau welcome.

**Second Hand School Jerseys** for sale from the school office. We have a number of second hand jerseys for sale in various sizes. These will be \$15 which will include the cost of embroidering your name on the jersey at Paeroa Embroidery.

Keep up to date and in touch with our school with the School Stream App. Give it a go and download the free app today.

Our new library on the corner of Willoughby and Mackay Street will be opening soon.

In the meantime, you can still return books in the old library afterhours bin. Online services will also continue as normal. Our phones won't be working until we're settled in the new library, but if you have any library related queries that can't wait, you can phone our main office and be redirected to someone who can help.
