

MASCOT

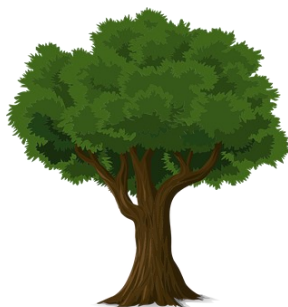

17th August 2017

Dear Parents and Caregivers,

Unwell children There have been a few germs around so please keep your children at home if they are showing signs of being sick. We are aware of how difficult this is with working parents but symptoms such as coughing, running noses, high temperatures and generally being unwell are signs children need to stay home and rest. This will hopefully stop the spread of these germs to the other children and staff.

Past Pupils Do you know of any past pupils of Miller Avenue School who have done well in their respective fields? We are compiling a list of past and present pupils to showcase what is achievable

Working Bee The board of trustees have booked the working bee for 15th September to process the wood from the large Liquidamber. We are looking for helpers with chainsaws and hopefully a wood splitter if anyone has one. Please contact the school office on 07 862 8602 if you could help. We will also be selling some of the wood as a fundraiser at \$60 per trailer load.

HOME BASED EDUCATORS REQUIRED

Can you provide a safe and nurturing home filled with fun, play and education? Do you have a passion for supporting children's interest, learning and development? This is a great opportunity to start a career in home based early childhood education.

We offer free resource and equipment library, free training, and professional development opportunities, regular organised outings, and ongoing support and play ideas from our qualified early child teachers who will visit you each month.

Already work as an Educator? Talk to me today about our transfer bonuses.
