STUDENT ABSENCE COMMUNICATION

It is vitally important to communicate with the school if your child/children will be absent from school. If a child is absent without notification, children are marked as truant. Our answer phone messages are checked regularly, along with school emails and school text messages.

STUDENT LATENESS—Over the last few weeks it has become apparent that an increasing number of students across the school are arriving late. It is important that students are at school on time in order to be settled and ready for the days learning. Even being five-ten minutes late can result in students missing key organisational details for the day and prove unsettling for the students and class. Thank you for understanding the importance of this message.

SCHOOL JACKETS/JERSEYS — There are a few children who have been looking for missing named jerseys and jackets.

Deeya Patel has lost a named jacket, Harry Appleby has also lost a named jacket. Please check your uniforms at home and name items clearly. It only costs \$3 per item to embroider a name on at Paeroa Embroidery (next to Z Station).

BOT WORKING BEE The board of trustees have booked a working bee on **Saturday 16th September at 10am**. Thank you to everyone who has volunteered to help and provide equipment. All wood has now been sold.

FACEBOOK—Miller Avenue also has a Facebook page to showcase events and classroom activities. Like our Facebook page to keep up to date with school events.
