BLOWING UP BALLOONS—ROOM 9

Today Room 9 blew up a balloon. We all tried blowing up a balloon any way we could and we could use anything in Room 9 but not using huff and puff. Some of us used the instruments, the wooden blocks, the snakes and ladders characters with the holes and some of us even tried using the dice. None of our plans worked.

Then it was Mrs Bs turn. We had a vote, 12 people thought she could do it and 9 people thought she couldn't. She used vinegar and baking soda. She put the vinegar in a bottle and the baking soda in the balloon then she put the balloon on the bottle. The baking soda fell into the vinegar and the balloon blew up from all of the bubbles.

TOUCH RUGBY

Touch season is due to start the first Thursday in term 4. Your child/ren may have brought a touch notice and permission slip home last Friday. The permission slip needs to be returned to the school office before next Friday 21st September. If your child/ren would like to play Touch and you have not received a notice and permission slip you can collect one from the school office.
