CRICKET

EACH MONDAY THIS TERM STUDENTS HAVE HAD A CRICKET LESSON. THE COACHES HAVE IDENTIFIED STUDENTS WITH

GREAT TALENT

CRICKET IS A GREAT GAME FOR BOYS AND

Celebrating Success in Our School

Each week the school has two good behaviour draws.

Caught Being Good is a reward for good classroom behaviour and

Positive Playground is for good playground behaviour.

The students get a ticket which goes into a container and at assembly three tickets are drawn out and these students receive a prize.

The other tickets win House points.

This reward has been in place for about 20 years so many past students will remember the fun and excitement that being drawn out of the container brings. Even some of the containers are the same!

We put the winners in the newsletter, but many other students are being rewarded each week.

GIRLS

Next week ERO will visit the school so you may see people walking around the school. Please make them welcome.

They are here to see how our school is growing.

Te Kotahitanga

This week we begin our Te Kotahitanga programme. Swimming has finished and we now have space in our busy week for

this.

Te Kotahitanga came about because we saw that all students needed an opportunity to lead and be involved in school activities. Some students were out of class often to attend special groups while others didn't get the chance. This gives all students a chance.

The groups are multi level with the seniors showing aroha and ako for the younger students. This is the Miller Ave way!

They choose 3 out of about 20 activities, from School Council to librarians, enviro school, gardens, healthy food promotion, Kapa Haka, reporters, drama etc. They will get one of their three choices.
