

MASCOT

17th May 2018

Our school has been offered an exciting opportunity hosting students from China for one or two weeks at the beginning of next term. We are very fortunate our school has been selected by the council to have this experience. Exchanges are a wonderful learning opportunity for students and everyone in the school will benefit educationally. It is also a major fundraising opportunity to raise funds for the Wellington trip.

Please help us to make this happen. Every family has been given a yellow notice with all the information, and a return page attached. **So far, we have had 8 families willing to take students, but we need 30.** We will need your support to make this happen so please give it your full consideration. This means \$14,000. to our Wellington Trip.

Please send your reply back by the end of the week, or contact the school office.

School will be closed on Tuesday 5th June for a TEACHER ONLY DAY.

All ten Ohinemuri schools will be closed together, so that all teachers can attend professional development.

School will finish at 12.30 (Lunchtime) on Thursday June 21st, to enable staff to attend an N.Z.E.I. meeting.

Assessment folders are urgently required.

Teachers are currently organising assessments into individual folders. Please ask your child if they have one at school. You may use last year's folder or purchase a new one at the office. (\$5.00).
