### NZEI Meeting

You may be aware of the nationwide crisis in recruiting and retaining teachers. While there are many more children coming into the school system, there are not enough new teachers being trained. Urgent and significant changes are needed to ensure that the teaching profession can attract the people it needs and to ensure class sizes do not start to increase.

We appreciate that this creates some inconvenience for families. However, we encourage you to support your teachers as they strive to achieve the changes which will safeguard quality education for all children and ensure we make teaching an attractive profession for graduates.

***Thursday 21st June school will finish at 12.30pm (lunchtime) to enable staff to attend the N.Z.E.I meeting.***

Please remember to return your photolife envelope orders to the office. Sibling envelopes are available at the office for those who would like family photos taken.

Class photos will be taken on the morning of Friday 15th June. Family and individual photos will **ONLY** be taken if we have received your completed envelope order.

## Te Kotahitanga Reporters Findings

*The mascot reporters group is doing a lot of writing about positive happenings around our school. Everyone in the group is taking turns writing the report and using the cameras.*

*Our group consists of Hailey-Anne, Amelia, Sasha and Jasmine.*

**Enviro Group:** They are doing a lot of work repotting flax plants which will be planted in the community when they get bigger.

**Choir:** Lots of people are learning singing. They are learning to get higher notes.

**Kapa Haka:** Their voices are getting louder and more confident. Whaea Laurence is amazing at leading and encouraging.

**Art:** They are practising at colouring and I think they are doing drawing next.

**Chinese:** In term three some Chinese students are coming from China to Miller Ave and this is great for us to learn about their country and it's great for us to teach them about our country.

**Rubbish:** There is still a lot of rubbish around our school so please remember to put your rubbish in the correct rubbish bin. We want our school to be very tidy and clean for our overseas visitors.

**Cooking Group:** They had to choose a photo of some healthy food and make posters. The posters ended up beautiful.

**PE Shed:** The PE shed is open Monday, Tuesday and Wednesday. The most popular item is the skipping ropes. Thankyou to all the people who are returning the sports equipment.

**Fruit and Milk Monitors:** The fruit and milk monitors have been putting the excess fruit in bags for families to take home after Friday assembly.

**Library Group:** They have been doing book reviews, speaking aloud and returning books to the shelf where they belong.

**Computers:** The computer group have been learning how to fix computer problems and how to shut computers down. They have also been working on typing letters to their teachers telling them about themselves.
