

MASCOT

2nd August 2018

Dear Parents, Caregivers and Students

UNION ACTION DAY

WEDNESDAY 15TH AUGUST

NO TEACHERS AT SCHOOL THIS DAY

There will be no teachers at school on Wednesday 15th August due to the teacher strike. Please ensure you have made alternative arrangements for your child/ren. Please find an information sheet enclosed explaining this action. If negotiations are successful before this date we will inform you.

MOBILE DENTAL UNIT

The Mobile Dental Unit will be at Miller Ave School from the 6th of August. Due to a new Waikato District Health Board policy we will be booking children in by appointment and parents will be sent a text message 3 days prior. This gives the parents the opportunity to attend the appointment. If you do not wish to or are unable to attend your child will be brought over from class, as has occurred in the past. If you need to get hold of us you can contact us on 021 359 798. Thankyou

THANK YOU TO... PAEROA PATCHERS

VISION AND HEARING CHECKS HAPPENING AT SCHOOL WEDNESDAY 8TH AUGUST

Please see below an information sheet in regards to the upcoming checks.

Information Sheet on Vision and Hearing Checks in School

Vision Hearing Technicians from Community and Southern Rural Health will be visiting our school. The objective of the test is to identify previously undetected vision and hearing defects.

If any parents/caregivers **do not** want their child to be checked, or their child is currently under specialist care for a vision or hearing defect, they should let the school know.

Which children are routinely checked?

Children who have not completed vision and hearing checks as part of their B4 School Check

Children absent from previous visit, require retests or follow up

In special circumstances, parents, teachers or others may request a vision or hearing check

New immigrants

All Year 7 student's vision only

What tests are carried out?

Ears

Audiometry (hearing test)

Tympanometry – middle ear function test (only carried out when hearing test is not within a normal range)

Eyes

Long distance vision tests – not a complete visual examination, but a simple screening test

NB All of these checks are non-invasive, safe and should cause no discomfort.

The Vision Hearing Technician will:

Notify parents of all test results

Enter results on Ministry of Education database (Enrol)

The Vision Hearing Technician will obtain personal details from the school ie; names, date of birth.

If the technician needs to contact parents or caregivers following the visit, addresses and phone numbers will also be required.

Our Service may share this information with other health professionals involved in the children's care.
