PlayGym is built on the belief that moving and learning together is fun. It embraces a philosophy of providing open-ended, broad-based, child-centred and fundamental activities to promote the development of children into healthy, active and social adults.

PlayGym gives early childhood educators, parents and caregivers the opportunity to participate with their children in active play whilst developing all areas of their body and mind.

Classes are full of activities to encourage brain development, balance, primitive reflex inhibition, gross motor skills, vision and development of fundamental movement patterns.
