

# MASCOT

14th March 2019

Kia Ora Parents, Caregivers & Students  
*Farewell to all of our students, Mr & Mrs Ferguson and Mr Robertson as you are nearing your departure for Ningbo, China on Saturday. We wish you all a safe, enjoyable and educational trip. Ka kite ano!*

## ***He whakatauki A proverb***

*Whakataka te Hau Whakataka te hau ki te uru,  
Whakataka te hau ki te tonga.  
Kia mākinakina ki uta,  
Kia mātaratara ki tai.  
E hī ake ana te atākura.  
He tio, he huka, he hauhunga.  
Tihē Mauri Ora!*

*Cease the winds from the West  
Cease the winds from the South.  
Let the breezes blow over the land,  
Let the breezes blow over the ocean.  
Let the red-tipped dawn come  
With a sharpened air, a touch of frost,  
a promise of a glorious day!*

**JUNIOR SWIMMING DISPLAY** Congratulations everyone on an awesome display last Thursday. All the students were fantastic, showing off all the skills they have learned this year. It is amazing how fast our younger students improve with their water confidence and skills in just a few weeks. A huge thank you to all the family and friends who came along to enjoy the display—your support is always most appreciated.

**SENIOR SWIMMING SPORTS** A great day was had at our senior swimming sports last Friday. The students swam extremely well, giving everything a go and many surprising themselves with just how well they can really swim. Please see attached sheet for results. Once again a huge thank you to all the family and friends who came along and showed their support. This is much appreciated.

**OHINEMURI SWIMMING SPORTS** Well done to those students who participated in the Ohinemuri Swimming Sports yesterday. We will publish the results once we have received them. Thank you to the awesome parents who helped out with the day, your help is always so much appreciated!

**LIBRARIES ALIVE** On Friday 1st March a small group of students, Mrs McMillan and Mrs Monrad attended the Libraries Alive in Hamilton. The students learnt about technology options and what is available for the library and they got to programme a lego robot to go backwards and forwards.
