HOST FAMILIES NEEDED FOR CHINESE STUDENTS

Our school has again been offered the chance to host students from China. This is the same school that we visited in China last term and were the first group we hosted in 2018. They were an easy group to host and it was an enjoyable experience. The dates are 20th-29th of July which is the first week of term 3. If anyone in the local community and our school families are able to host some students please contact the school for more information.

CLASS & PORTRAIT PHOTOS

Photolife will be at our school on the morning of Friday 14th June taking class and family portrait photos. Sibling envelopes are available at the office for those who would like family photos taken. Please return your orders and money in the envelopes provided no later than Wednesday 12th June.

*To St Pauls Opportunity Shop for your generous donation of \$300.00 for our School. We are very grateful for this kind donation and we are excited to say we will be using this to purchase new musical instruments for our students to use.

WATERCRESS & PUUHAA!

When picking both waatakirihi (watercress) and puuhaa they are tastier before they flower. Make sure the water is clear when picking waatakirihi and snap at the base of the stem. If you can, pick puuhaa in the morning for a tastier harvest.
