### MINI FERNS NETBALL

Just a reminder to all Mini Ferns Netball players and their parents/caregivers that the new time is from 3.45pm to 4.20pm. This will not effect any of the skills the children will learn.

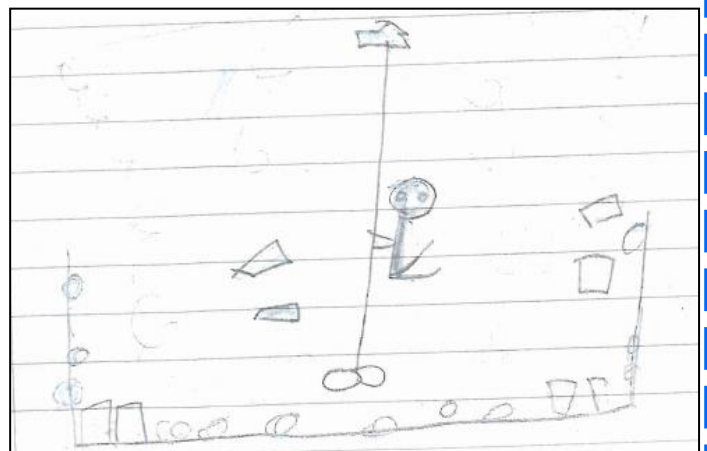

Eleven of our students were very fortunate to attend the Circus Quirkus in Hamilton last Thursday. A HUGE thank you to the Waikato Sunrise Rotary and Paeroa Rotary Club for allowing these students this amazing opportunity. All the students had such a great enjoyable time. Below are two of the students writing who attended the circus.

Yesterday I went to the circus in Hamilton. My favourite act was the Chinese acrobat but I also liked Mr Penguin. He juggled seven rings at the same time.

Yesterday I went to the circus in Hamilton. My favourite act was the Chinese acrobat. He was balancing in the air. His legs were bendy. They could come up past his head. He wore a rainbow suit.

## **The Developing Brain**

Wed 28 Aug 2019, 7:30pm - 9:00pm

Thames War Memorial Civic Centre, Thames

We are proud to announce that the host of the documentary 'All in the Mind', and co-host of the TV Series 'The Secret life of Girls', Nathan Wallis, Aotearoa's renowned neuroscience educator, is coming to our community with his talk - The Developing Brain.

With a profound reputation as a lively and engaging speaker, Nathan uses humour and plain language to make this complex topic burst into life. So, here's your chance to get all the latest research from a valid source, in a way that's made to make sense.

In this presentation, Nathan will guide you through the stages of brain development that happen across childhood, which is a lot longer than you think. Nathan will reveal little tricks to make parenting easier, and help you open up communication with your child in a way that actually gets them to listen, develop & grow, and even like you more!

You will walk away understanding how yours and your child's brain work, so you know that a lot of it is normal development and not in fact your fault - Phew!

This talk is for those parents or caregivers who want a quick snapshot of brain development. His unique "tell you how it is" style will have you captivated, and you will walk away jam-packed with "ah-ha" moments.

Tickets are available at [www.eventfinda.co.nz](http://www.eventfinda.co.nz).

## **WATERCRESS & PUUHAA!**

When picking both waatakirihi (watercress) and puuhaa they are tastier before they flower. Make sure the water is clear when picking waatakirihi and snap at the base of the stem. If you can, pick puuhaa in the morning for a tastier harvest.
