CROSS COUNTRY

Unfortunately we had to postpone our cross country due to the wet weather and ground conditions which became a health and safety hazard. We will have a school cross country once the weather and ground conditions are more suitable, hopefully next week.

The middle and senior classes ran small races yesterday, the same distance as the Ohinemuri Cross Country. Teachers selected competitors from these races to compete at Ohinemuri tomorrow. A notice will be sent home today with these students.

To all of our students competing at Ohinemuri tomorrow!!

SCHOOL INFORMATION

Our weekly newsletter, the MASCOT, is sent home on Thursday afternoons with the youngest child from each family. This is the main avenue for sharing events with families. We also have a school website (www.millerave.school.nz) which has a link to our school calendar and our School Stream App. The School Stream App will also have copies of newsletters, school event information and contact links as well as registering your child's absence. You can download our app from the Google Play Store and select Miller Avenue School. We also have a school facebook page, Miller Avenue School, where we share happenings and updates on school events. If you have any questions regarding these please see Mrs Marr in the office.

Download instructions: For the School Stream App

1. Go to the App Store and download "School Stream" to your phone.
2. Open the app and type the school's name into the search bar to load the school's profile.
3. Make sure you agree to Push Notifications when prompted.

STUDENT MEDICINES

If your child requires any medicines or Asthma Inhalers please bring them to the school office so they can be kept in our safe. Please ensure they are not left in your child's bag as they could end up in the wrong hands. We also require parents/guardians to sign an administering medication form.
