Tena Koutou te Whanau

On Tuesday evening I met with the Board of Trustees and after a short presentation and some discussion around the role of Acting Principal the board confirmed my continuation in the position until a permanent replacement for Kaye has been found. In the meantime Robbie McGougan has been employed as a long term reliever to teach in Room 4. We welcome Robbie onto the staff and look forward to the contribution he will make to the school.

Staff have been working diligently to test and assess our students to give us and them a baseline from which to measure their academic progress and achievement over the year. These assessments also inform staff of your child's strengths in various subjects and the areas still needing to be developed. Educating our students is a home and school collaboration and if you would like ideas on how you can help your child at home please come in and chat about it with your child's teacher.

Next Monday we have 3 teams attending the SMASH cricket tournament at the college and then on Friday we will run our annual Triathlon day which we will aim to get under way at 1.00pm.
