Kia ora koutou te Whanau

We are almost at the end of week 10 of term 2 and the school holidays are rapidly approaching. We have a Matariki focus in classes at the moment and we are looking to celebrate this with a whole school Hangi on Thursday of week 12. This will be prepared and cooked by some of our year 7 and 8 students who will also take responsibility for the catering and cleanup. We will aim to have the food ready to eat by lunchtime.

Both staff and students are currently busy with assessments and report writing as we look to align our learning program to a more academic focus but will continue this terms theme of health and wellbeing also.

Our team for Totara Springs Sports camp has been selected and in-school training has begun. Our Softball and Volleyball teams are looking sharp and we look forward to our whole team trainings with Hikutaia School next term. Miller Ave will have 20 students going to camp this year.

Recent events reported in the media are a reminder to us all that while we are relatively safe in our five million strong New Zealand bubble we are still very much in the grip of a global pandemic and while we depend on our elected officials to keep us safe and act in our best interests this is not always the case as is becoming increasingly evident. Therefore we need to be vigilant to ensure that our families, school and communities are kept safe.

We can do our part by maintaining good hygiene practises and regular handwashing.

Stay safe.

Phil Gurnick

Acting Principal

### ***Maths Game...By Alexis***

*Yesterday we played a new game it was called The Piggy Bank. It was lots of fun, it was a learning game. Bria was the winner because whoever got the most money wins, so Bria was the winner because she got thirty nine dollars. I was playing with Tyrese and Julius as well. We all want to play it again.*
