Alert Level 2 information

Who can go to school

All children can attend school at this level.

Who should not go to school

If people are sick, they should stay home (phone Healthline or their GP and get tested if a doctor or health professional recommends to do so).

Anyone who is self-isolating, or who has been advised by health authorities to remain at home while they wait for their COVID-19 test results, must stay home.

Health requirements at school

At Alert Level 2 the disease is contained. It is safe for children and staff to attend school. There will be appropriate measures in place.

This Friday is Daffodil day at MAS. We will have different activities for our tamariki to engage with, ranging from stickers to kid tattoos and a coin trail activity. This Friday is a mufti day, a gold coin donation is required.
