Kia ora tatou katoa whanau.

I've had the privilege of meeting and greeting many of our parents at the school gate. I'm extremely interested in building connections within our community, please feel free to korero about how we can work in collaboration, 'it's all about our tamariki'.

Take a moment to read this week's classroom snippet. It includes a student and teacher voice designed to give you a sense of what your tamariki are engaged with this week.

I want to take a moment to acknowledge the work of our teachers during the COVID period, they possess a high degree of resilience and determination under fire. Thank you all.

Coming up is a very special time of the year as we celebrate **Maori language week**, personally everyday should be a celebration of language, we will get there one day. **September 14th - 20th**

We are in the process of unpacking and collaborating with the planning. It will be a celebration of art work, poi and an investment of local knowledge. Watch this space. It's all dependent on COVID alert levels of course. If you can help, bake bread or make fried bread, prepare kai, weave flax, demonstrate moko kaue or kowhaiwhai, give me a call.

Have you completed the survey yet?

Check our Facebook page for the survey link. You'll also find it on our School stream account.

Mauri ora

Matua Richard – Principal.

Room 7 feeds the birds

Makae're and Taylor read a book called "The Bird Feeder". It was procedural reading about building bird feeders for a garden.

A plan was found on the internet and given to Mr Hearn to build two. They were painted. The feeders were secured to the windows of Room 7 and Room 8, filled with birdseed for everyone to enjoy watching the birds feeding. Thank you Mr Hearn.
