17th September 2020

Kia ora tatou katoa whanau.

Thank you to all of our parents who completed the whanau survey this week, just over 10 days to go before we close the survey, then collate and feedback the findings to our community. The information will be vital to determining the next step for us as a school, make sure you have your say, it's extremely important to us as we move in to a new term.

Next week will also mark the end of the RTLB service being based at Miller Avenue School, from the start of term 4 it will be facilitated by Paeroa College. I would like to take a moment to acknowledge the professionalism and dedication of this team who support our staff and students. We all wish Chris Patten well as he engages his team from Paeroa College.

If your tamariki need medicine during a school day, these are guidelines we are required to work within:

#### Authority required

1. a written authority from a parent given at the **beginning of each day** the medicine is administered,
2. **Detailing what (name of medicine), how (method and dose), and when (time or specific symptoms/circumstances)** medicine is to be given

Alternately, you can also administer the medicine personally by arrangement to your tamariki.

School photos are on **Monday October 12<sup>th</sup> 2020**. (Photo life photos)

End of term – September 25<sup>th</sup> 2020.
