24th September 2020

Kia ora Parents/caregivers and whanau.

The end of the term is on our doorstep, I hope you have the opportunity to reconnect and have time together as whanau. Thank you to those who completed the whanau survey, this is an important step for us as a school, the information gleaned from this, will be used to improve our focus on teaching and learning programmes. I am also thankful to those parents who choose to be actively involved in their child's development, you are 'the first teachers' your role is extremely significant.

Term 4 holds many adventures for us as a school, with the return to level one, this has pathed the way for events like our year 7 and 8 camp, prize-giving and open invites to our junior and senior assemblies, the Young Leaders event and lastly, our athletics programme.

All parents are invited to our end of term assembly which begins at 2.30 in the Jubilee hall. If you haven't checked out our Facebook page, please do, we are looking for 2 community members to prepare lunches for our tamariki next year, if you have this skillset, remember, it is for the entire year, 4 days a week, then send me an email to express your interest, this is a paid position. I am looking forward to a busy last term.

Enjoy the holidays

★ STARS IN THEIR EYES ★

Ngahau e Whā is a 5 week (weekends) performance programme run by Creative Waikato in a number of locations around the Waikato. The programme aims to build confidence in Rangatahi / youth through performance and each location specialised in a performance genre – Paeroa was Drama.

Two of our Miller Ave students, **Eikura Emery** and **Marikah Blundell** saw the programme advertised online and chose to take part with other youth from the Hauraki area. Mentored by veteran stage performers Waimihi Hotere and Olivia Robinson, they got to experience stage production first hand, from writing and editing their own scripts, role play, to performing as a group and also a solo performance in full stage glory at the Meteor Theatre in Hamilton.

Eikura says her favourite part was doing something fun with her friends and making new friends. She also loved performing for an audience on stage under lights.

Marikah found she had a creative flare for script writing despite previously thinking she was not good at writing. At first she was nervous about being on a stage, but now that she has done it, next time it will be less scary.

Both were glad they did it and are looking forward to the next programme.

If any of our students are involved in activities like this or sport, music etc. Let us know and we can celebrate their achievements in our Mascot too.
