19th November 2020

Greetings to our community.

Our school is clearly focused on growing our understanding of how students learn best. We are living in a new dispensation where the values of the past are not always evident or apparent. That should not prevent us from ensuring that we create firm boundaries and expectations for our children. As we begin to ponder what lies ahead of us in 2021, we could not have anticipated the impact of COVID 19, but we made it, we are learning to live again at level one.

MAS are seeking a new teacher and a fixed term replacement; these challenges are exciting junctures of growth for us as a school.

Next week, a group of Year 8 students have proposed a different dress theme for each day beginning Monday 23rd – Friday 27th November, it's free, not compulsory, wear your uniform if you don't have a costume.

Let me give you a preview – **Wednesday is 'Cowboy Day' no guns thanks.**

The themes will apply to teachers, it should be fun. More about that on our Miller Avenue School Facebook Page, check it out. Please take the time to visit our FB page, loads happening, it's the place to see what's happening at MAS each week.
