18th March 2021

Kia ora parents and caregivers

Our 'teacher only day' was an inspiring event for all our staff, Pio Terei was our key note speaker, he addressed issues of well-being and how to respond appropriately to our tamariki when tough conversations need to take place. We have a second TOD planned for the last day of the term, **April 16th 2021.**

This week I sat down with our school council members who are eager to make their mark as leaders. Miley Mabber, Oliver Downes and Natalee Wenn have lots of energy and ideas designed to improve the environment and fun element at Miller Avenue School, they are heavily involved in researching at the moment and ensuring that their ideas are sustainable and cost effective. Watch this space!

We have decided to defer our 'night under the canvas' to term 4, the suggested date clashed with an event that our children are also a part of.

Kind regards

Richard Wilkinson – Principal 2021
