Dear parents and caregivers.

Thank you in advance for attending the parent conferences this week, your voice is critical to developing successful learning plans and a deeper understanding of your child's needs. They also provide an early opportunity to engage our community and for you to ask questions.

If you would like to meet with your child's teacher anytime, nau mai haere mai, interviews are not restricted to this week.

Thanks to those parents who turn up to enjoy the assembly each week, its super encouraging for our tamariki and staff alike. If you would like to join us, assemblies are held every Friday from 2.30pm, every second week values awards are presented. This week is a values award assembly.

During week 4 we would like to invite our parents to take part in our lunch in schools programme. An invite will be shared with you on skool loop and our MAS face book page next week, simply reply and you'll be included. There are two settings, 1pm for years 1-4 and secondly, 1.25pm for year 5-8.

We would like to invite expressions of interest from our community to be involved as a Miller Avenue School Board of Trustees member, it will give you an opportunity to make a significant contribution to the future direction of our wonderful school. If this sounds like you, flick me an email, I'd love to hear from you. Election year is 2022, but we are seeking early expressions.

Kind regards.

Room 9 Learns About ANZAC Day

During the end of Term 1, Room 9 started learning about why Anzac Day is significant to New Zealand. They engaged in hands on learning and stimulated their senses when discovering Anzac day biscuits. They participated in our school's Anzac Service and presented a wreath created by our class. The wreath is now displayed in the office foyer along with all the other classes.
