17th June 2021

Kia ora tatou katoa.

With just over a week before the whanau conferences at MAS, it's an exciting time for our school and teachers, please engage with this process, it's all about our tamariki.

Monday June 21st 2pm – 4pm and Tuesday 3.30 – 6pm. Children will be released from 1pm on Monday 21st. Book now on Skool Loop.

Our twilight gala is gathering momentum, the date for this event is **Friday 25th June 2021** from 3.15 – 6pm. The proceeds will be split between the Totara Springs trip in early September and our Waitangi hikoi. The Waitangi trip is for year 4 – 8, this is an overnight stay, the first of two meetings for this trip will happen on Thursday July 1st from 3.30pm – 4.00pm in the Jubilee Hall. The trip will be led by Mr. Gurnick and our very own Whaea Liz. If you would like to join us as a parent support, please let me know 022 603 5529.

Please donate baked goods to our gala, we have several raffles on offer, games and white elephant items, meat on the spit and much more.

The next BOT meeting is June 23rd @6pm in the MAS library.

Kind regards

Richard Craig Wilkinson

Principal

Learning Support Staff

Anna Monrad and Marilyn McMillan have over 35 years experience between them in helping support and contribute to students learning here at Miller Avenue School.

We take our roles and responsibilities very seriously and assist teachers with individual and group planning to achieve this. We are very passionate about our jobs and only want the very best for each and every one of the students.

HEADLICE

These little critters are out and about at our school. Please check your child's hair regularly and treat as necessary as we need to keep on top of them, especially to help those families that are trying hard to rid headlice from their child's hair.

Anyone can get head lice it doesn't matter how clean or dirty a person's hair is. Head lice spread by crawling from one person's hair to another's – usually between people who are in close contact, such as school classmates. Please check for head lice often, at least once a week. Scratching, scratch marks or a rash can be a sign that your child has head lice.

Chemical treatments or wet combing are the usual ways to treat head lice. Ordinary shampoo or soap will not kill head lice. Do not use fly spray, kerosene or animal treatments, as these may harm children.

We do have combs available at school and by going to your child's doctor they will prescribe free head lice treatment.

A child with live lice should stay away from school until treatment has started.

Help our tamariki travel to Waitangi...

Donate all your spare books, magazines, comics, cook books etc to us please for our gala happening next Friday 25th June.

Thanks!

Miller Avenue School—Creating brighter futures, together.

Matariki Art Exhibition

St Francis Catholic School Thames and Bounty Store for the second year are holding their Matariki Art Exhibition which is a joint fundraising

event. ✨ Organised & held at Bounty Store Thames with up to thirty contributing artists, mostly local and all regular exhibiting artists in Bounty Store. Each artist has created a special

artwork celebrating Matariki ✨ Opening Friday 25th June 5-7 pm & running for three weeks till Saturday 17th July in Bounty Store. Come and enjoy the wide range of artworks ... & choose a beautiful piece of art celebrating what's unique

about this place we live in, AOTEAROA ☁️. We will also be showing our tamariki's art pieces in the Create the Vibe container in May street.
