Kia ora tatou whanau.

Miller Avenue is a wonderful place to be. Thank you to our fantastic parents who have offered to support the Waitangi excursion: Laurene Stepanicic, Ella Brown, Craig Taylor, Rose Tauranga, Papauta/grandmother, Susie Prince, Nikki Kovacevich, Debbie Fitzgerald, Rangi Fraser and Katrina Middleton.

On Friday 13th, the students travelling to Waitangi will receive: Packing list, the trip itinerary and the menus.

Yesterday we persevered with our Mini Olympics day, our tamariki looked fantastic and the opening ceremony was auspicious. However, the rain came and disrupted our day despite the best efforts of our children and staff. Check out the pics over the page.

Our senior disco is happening Friday 13<sup>th</sup> August, 6pm – 9pm in the Jubilee hall, \$3.00pp, drinks and food provided.

Don't forget (kaua e wareware), if your child is going to Waitangi, we have the second parent information evening today from 3.30 – 4pm. There will be a travelling parent meeting on Tuesday 17th from 3.30 – 4pm, this too will be held in the STEM room, next to the library. See you there.

Kindest regards.

Richard Wilkinson – Principal

# Room 10 - Help Save Our Planet!

We welcomed Dayton, Laila, Jett and Rafi to Room 10. It is great to have them join us. This term we are learning about “sustainability”. A simple definition from Room 10 is “we need to look after each other, everyone, animals, the environment and the planet now and for future generations”. We can help do this in small practical ways like “taking shorter showers” Alfie, “unplug chargers and turn off switches when you are finished with them” – Alexis, “recycle and reuse” – Jackson T. We all have to do our part to save the planet.
