'Trash to flash' is coming to Miller Avenue School. Our tamariki are super-duper excited, there'll be loads of opportunities to demonstrate their creativity and passion. The showcase will happen on **Friday November 12<sup>th</sup> 2021** – from 12pm, lunch will be provided following the show, please book, text to 0226035529 – don't forget to add your name to reserve your seat for lunch.

Check the room 10 pics out on the next page, stunning work and the beautiful room 5 artwork which is displayed in the office, extremely talented tamariki.

We would love to advertise your business on our MAS school van, it's a moving billboard that is constantly in and about Hauraki, call me and join our team of sponsors - 078628602 Richard.

I need your feedback in term 4 to three very simple questions:

1. MAS are looking to change the names of the class rooms; can you suggest **NEW** names that reflect who we are? (all 9 classes, the office block, Library, STEM room, excluding the hall).
2. **In two words** – what is the most important thing you look for in a school?
3. Lastly, would you like your child to take part in 'Bible in Schools' in 2022?

These questions will be placed in a survey, the link will be sent to every parent, week 2 term 4.

# Spring is in the air at MAS Office

Spring is definitely in the air at Miller Avenue School office with spring 'artwork' flowers starting to appear on our wall in the main office entrance.

We currently have a vast display of artwork in our school office including houses created by students in Room 5. A lot of effort and detail has gone into these houses, so please ensure when you are next at school to pass by the office and check out all the artwork that is currently on display, uniquely made by our talented students.

On behalf of Mrs Parkhill and Mrs Marr, a BIG THANK YOU to Whaea Jane for sharing the students artwork and making it such a colourful and delightful place to work each day!

# CONGRATULATIONS

## Big 'A' attendance Award

**ASSEMBLIES** Under Alert Level 2 we will not be holding our school assemblies.

### TOUCH RUGBY

The Thursday evening Touch module will run again this year with teams from the four grades being entered. The grades are year 1/2, 3/4, 5/6 and 7/8.

We will enter 2 teams from each grade providing we can get enough coaches and managers. If you are interested in managing/coaching a team please let the office know before next Thursday 30th September.

### WATER BOTTLES

Due to our water fountains been turned off under Alert Level 2, please ensure you send your child/ren to school with a named drink bottle. Students can refill their bottles in class, if needed, during the day.

NZ Visual Art Curriculum;  
Developing Ideas in the Visual Arts

In this strand, students develop ideas through observation, imagination, and invention with materials. They also develop ideas in response to experiences and feelings and as they reflect on their own art making. They source ideas from a variety of motivations and extend and organise them in ways that communicate their intentions. Students use selected methods to explore and develop their ideas. They conceptualise their ideas and express them through a range of materials. They reflect on, test, clarify, and regenerate ideas as they solve problems, individually and collaboratively, in making objects and images.
