4th November 2021

Kia ora tatou katoa MAS whanau.

From a burst water pipe to new restrictions on parent movement around the school site, it's all happening. Vaccinated and unvaccinated parents are still welcome at MAS to attend assemblies and our 'Trash to Flash' showcase, in fact, any event planned between now and the end of the 2021 academic year is accessible for all parents.

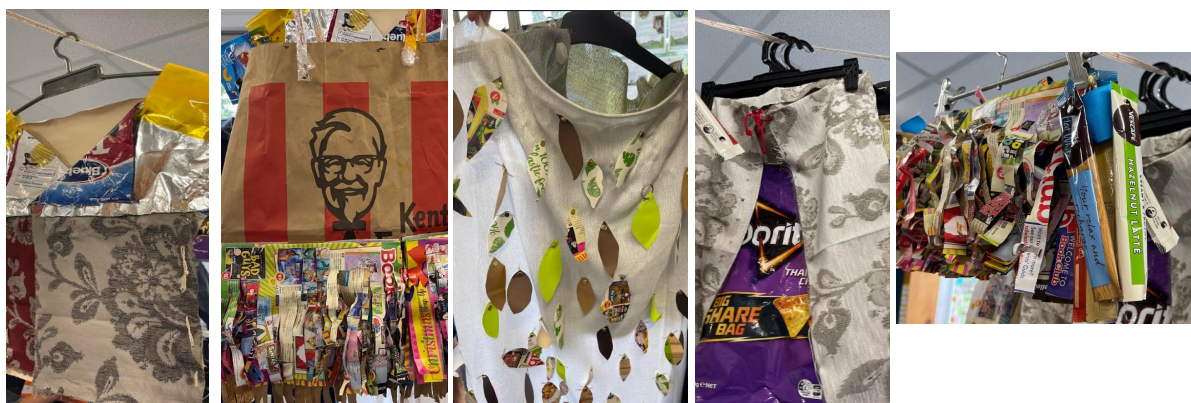

There are some simple reminders though:

1. Please wear a mask when entering the school
2. Everyone must sign/scan in the MAS office.
3. Observe the social distancing rule of at least 1 metre (where possible).
4. During any school event, parents will be separated and social distanced from the our tamariki to minimize the risk.
5. Our staff will help to manage this during events, please don't be offended if a reminder is given, we take the protection of all of our tamariki seriously.
6. If you plan to be on site for the Trash to Flash showcase, social distancing for parents will be expected during the event AND when eating lunch.
7. The **juniors** will eat outside (picnic style) and the **seniors** in the hall.

The showcase begins at 12pm **Friday November 12th**, lunch will follow at 1.30pm (approximately). Attached are a few pics to whet the appetite.

Room 10 — Our Mosaic Art

Room 10 had fun designing and creating their own mosaic art using buttons and beads.

This is part of our creative arts learning this term. Firstly, they had to draft a picture on paper of what they wanted to create and when they were happy with their design, transfer it to their canvas. They chose buttons and beads that were the size and colour they wanted, counted how many they needed, so they could complete their picture. It was great to see the children focused and being creative in their learning. See the fantastic results below!
