11th November 2021

Kia ora tatou katoa whanau

Trash to Flash is the main event this week, thanks to those parents/caregivers who have booked in for the showcase and lunch.

Our Trash to Flash showcase begins at **12pm** in the jubilee hall. If you are entering through the Norwood Road entrance, scan the QR code posted on the gate.

The main gate will also have a QR code attached to the wall, alternately come to the office and sign our visitors book.

**From next week**, we will use an electronic Vistab for capturing visitor information.

The showcase will run for approximately 1.5 hours.

From approximately 1.45pm the children will have lunch together, seniors in the hall—with visiting parents, juniors outside in the shade with their hats on. If you choose to take your children following the lunch break 2.30pm, please advise their teacher and sign them out in the office.

The showcase will be a blast!

Nau mai haere mai.

Principal

# Room 5 - A Busy Term 4

Kia Ora

Wow, how fast is the term going? We have had a busy time in Room 5 this term with a major focus on "Trash to Flash" creative arts in the curriculum. Our designs will be presented in the show on Friday followed by a shared lunch.

Our focus this term is to consolidate our learning through activities that support our knowledge and how to apply it. We have used Maths games, Stem activities and Art to scaffold this learning.

Water colours of spring to helicopters, sustainable house models to character profiles are just some of the activities we have used.
