Tena Koutou Katoa

A hearty welcome back to all of our tamariki and whanau.

All classes have settled back into their routines with students engaged in the process of learning new skills and developing their knowledge and understanding on a range of topics.

With the onset of winter we expect students to pick up sniffles and colds, but please be vigilant with covid still active in the community and keep your children home if they display any of the symptoms associated with colds or influenza.

Our Netball teams are being finalized and we have a number of sporting events coming up this term. If you are interested in coaching or managing a sports team can you give your name to Trish in the office and I will get in touch with you.

We look forward to our new principal starting in early June and expect to welcome her to our kura with a powhiri on the 7th June. Whanau are welcome to come and join us for this occasion. We will keep you posted on developments.

Room 5—Nau Mai, Hoki Mai Welcome back to Term 2...

In Room 5 we are facing some changes in routines but already we have settled in well. Student voice is an important part of our learning and the students have identified the goals they are working on for the first part of the term.

Our inquiry focus will be on communication so we will be practicing ways to communicate in a positive manner and also looking at how to communicate through art.

This all fits in well with our School wide, Positive Behavior 4 Learning initiative.

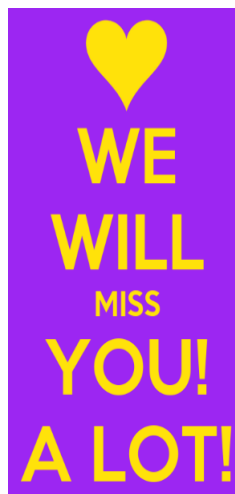

Learning Is Fun!

Farewell Matua Richard & Whaea Maude

Te Hokinga Mai To Te Tai Tokerau of Matua Richard, Whaea Maude and their whanau has been completed. It was a lovely experience with the accompanying tamariki and whanau filled with aroha, laughter and tears.

Thank you to the Board for funding the trip, Mr Phil Gurnick for releasing me for the day, Rangi Fraser, Roey, tamariki, and Richard & Maude's whanau. **Whaea Liz Laurence**

MAS is starting our PB4L Journey. This is a Ministry Of Education initiative. PB4L School-Wide looks at behaviour and learning from a whole-of-school as well as an individual child perspective. The framework is based on international evidence that can be tailored to your school's own environment and cultural needs.

It's not about changing the students; it's about changing the environment, systems, and practices you have in place to support them to make positive behaviour choices.

The MASCOT will feature our PB4L actions as we engage our whanau in the language and expectations of our PB4L journey.

NETBALL

We are finalizing our Netball teams as Netball is due to start on Wednesday 18th May. We are in urgent need of coaches and managers for our teams, so if you or someone you know can help us out please let Trish in the office know. Years 0-4 will be involved in the mini ferns programme which will be played at the Paeroa Netball courts.
