Tupuārangi (rm 5)

Welcome from Tupuārangi (rm 5). The tamariki in Tupuārangi really enjoyed sea week last week, as we learnt about lots of different sea creatures. The tamariki took a particular interest in learning about the Octopus and were amazed with all the different facts that we learned about the Octopus. We decided as a class to paint an Octopus, to go along with our learning from sea week.

STUDENTS BIKING AND SCOOTERING TO SCHOOL

If your child bikes or scooters to school can you **please** remind them about the road safety rules especially stopping and looking both ways before they cross the road and please ensure they wear a helmet. We had a recent report from a member of the public who witnessed a student crossing the road on their scooter without looking for cars. We want to ensure our students are safe when biking and scootering to school and to help with this our junior school is expecting a visit from Reuben the Road Safety Bear on 28th March.

PAEROA COLLEGE—PRIMARY TECH FEES 2024

The Primary Tech fee for all of our Year 7&8 students is \$45 for the year. This fee is set by Paeroa College which covers resources, equipment and ingredients used by students when they attend Primary Tech. Accounts have been emailed to parents/caregivers of our Year 7&8 students. ***These fees are to be paid directly to Paeroa College.***
