25th June 2020

Kia Ora te Whanau

As we wind down toward the end of term 2 I would like to make mention of the work that has, and is, being done by staff and acknowledge the extra effort and dedication made by all to keep our school functioning and our programmes of learning happening in our classrooms during this challenging time. All staff have risen to the challenge presented by the Covid – 19 pandemic and your hard work is appreciated.

Recently the Ministry of Education had organised for all households that have not had internet access to receive a router and have this installed. If you have not received a router and still do not have internet capabilities in your home please let the school office know and we will follow this up. Further to this if you receive a device in the mail provided by the MoE, can you send it to school so we can add it to our bank of internet devices for use in classrooms.

Totara Springs training will most likely be on a Tuesday afternoon from 1.00 – 3.00 pm beginning week 1 of term 3. Help with transport will be appreciated so if you can assist with this please let the office know. If you would like to begin making contributions toward camp fees please see Trish in the office and she will organise this with you.

We have Ali from Zero waste with us next week taking students through a programme of waste reduction and recycling and how we can look after our environment. We look forward to having her with us.

As mentioned last week we will have a school wide Hāngi for all students and staff next Thursday as a shared lunch. Donations of food, particularly vegetables, eg potatoes, kumara, pumpkins and cabbages will be a great help.

Naku noa
Phil Gurnick
