22nd October 2020

Kia ora tatou katoa.

Dear parents/caregivers.

A **BIG** thankyou to those who completed the MAS whanau feedback survey. The data collected from you is invaluable and essential to us as a school. Your feedback will be shared with our Trustees this week and then passed to you to view. Feedback is absolutely vital to improvement. We do lots of things really well at MAS, however we are always looking for ways to improve our learning outcomes, teaching, social skills and support. Teaching can be likened to building a house, we don't have to know what the end product will look like, we just have to know where to place the next piece or the nail each time. Thanks for working patiently through the recent crisis with us, our staff fully appreciate this.

## Christmas Parade 2020

This year we would like to begin planning well in advance for the Paeroa Christmas parade, if you have access to materials fit for an amazing float, I would love to hear from you.

## Lunches in Schools

If you have expressed an interest in the 'lunches in schools' position at Miller Avenue for 2021, the next step is to provide a letter that demonstrates exactly why you think you would be the best fit. Outline your skills, experiences and knowledge of hygiene practices, food preparation and the nutritional standards (these can be found on our Facebook page). If you applied as a team, one letter will suffice. This vacancy closes on **November 6<sup>th</sup> 2020**.

## Reports

This year our student reports will focus on the key areas of development again following our encounter with COVID 19 just as they did at the start of the year. These are commonly referred to as the 'Key competencies,' they are aimed at identifying personal development in a holistic sense. We have started taking steps as a school to implement Personal Learning plans for 2021. This is an exciting part of evidencing our individual learning journeys, watch this space.
