Kia ora tatou katoa whanau

This week you should have received a letter that outlines the PLP (personalized learning plan) process in a little more detail.

We are absolutely serious about ensuring that every child at MAS has an individualized learning pathway and specific goals to navigate and achieve. It also helps us to form a clear picture of what and how your child learns best. The truth is, ***we all learn differently*** and as a school, we are determined to make a difference in our community. BUT, we need your support. Please complete your feedback portion of the letter and return it to your child's teacher, as soon as possible. It would be easier to teach/treat everyone the same way using the same approach and material, Miller Avenue School is about making a real difference with our tamariki, PLP's are the best plan forward for your child/ren.

Teacher only day (TOD) x 2

YEAR 7 & 8 IMMUNISATIONS

All consent forms need to be returned to the school office by this Friday. We need the forms back even if you do not consent to your child having the immunisations.

Immunisations will take place at school on Thursday 18th March from 9.30am.

PAEROA COLLEGE PRIMARY TECH

Every Tuesday morning our Year 7 & 8 students go by bus to the Paeroa College to participate in the Primary Technology program. Students need to arrive at school with covered, enclosed shoes and be at school by 8.55 to enable them to catch the bus. Any students arriving after this time will need to be dropped at the Paeroa College. Students then finish the classes at 10.30am and are brought back to school on the bus.

Due to inclement weather we have postponed the Miller Avenue Senior School Swimming Sports to Tuesday 9th of March - venue Paeroa Town Pools.

Please collect the YUMMY stickers off your apples and cut the YUMMY coupons from the bags of apples and bring them into school as we get free sports gear for our students to use.
