Kia ora parents and caregivers

As a reminder, please note that the tradition of meeting with teachers at the end of the term has been modified so that you are able to access your child's teacher anytime. Please make arrangements when ready. The information you receive from the teacher should be up to date, relevant and pertinent. Be mindful that organising an appointment in advance allows staff to prepare.

Next term we are planning on having a fundraising hangi during the 3rd week of the term, we will also have a twilight gala at the end of the term as well. These two fundraisers are designed to assist with the cost of travelling to Waitangi in term 3. One further fundraiser may be necessary, you will be advised in term 2, should this be the case.

Our second Teacher Only Day is set for **Friday April 16th**, this is also the last day of term 1.

Regards

Mr Richard Wilkinson—Principal

# From The Principal's Desk...

Kia ora tatou katoa

Having arrived at Miller Avenue School in August 2020 amidst the challenge of COVID, I wanted to connect with our community to thank those who have taken the time to reciprocate the connection. My wife, Maude and I have settled into Paeroa life and thoroughly enjoy working alongside new friends and whanau. MAS has the potential and personnel to absolutely fly, building the capability of our staff and making some subtle, but helpful changes has been evident. I would welcome your voice in this process too, please take the time to drop in some day and talk to me about your aspirations for your child and for this school.

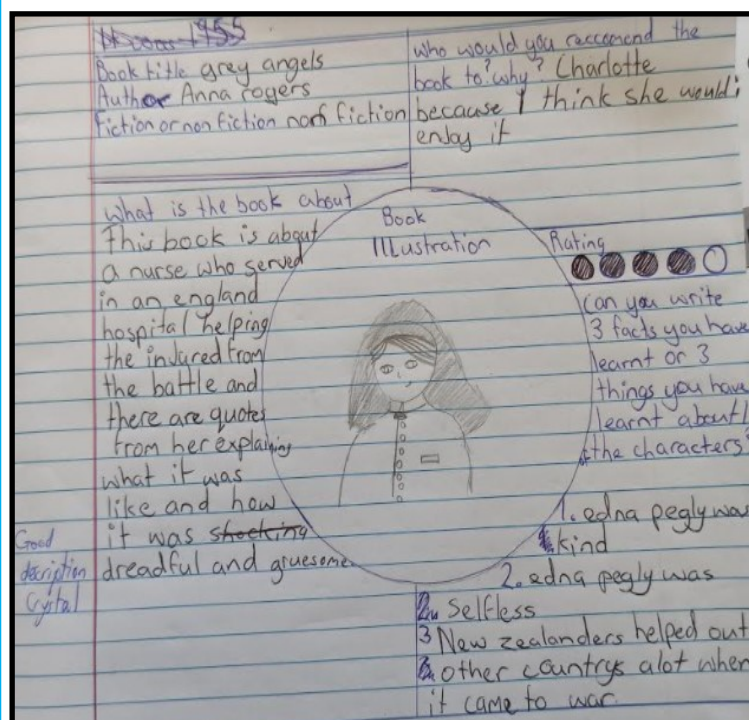

Finally, my experiences of international education and past schools I've led, tells me that 'reflection' is a key ingredient for success. Understanding how we 'can' and 'should' modify our craft as practitioners should be an organic part of our repertoire.

Kind regards

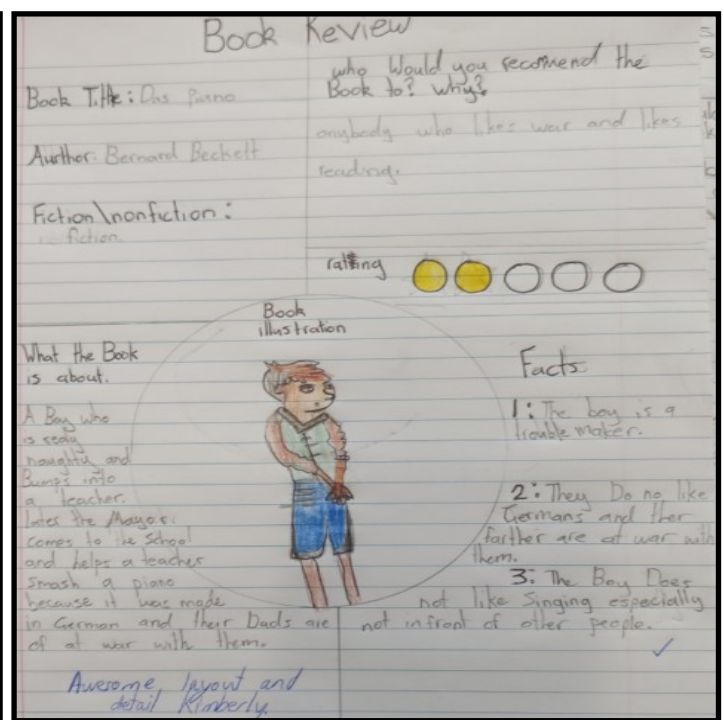

Richard Wilkinson—Principal.
