8th July 2021

Kia ora ano parents/caregivers.

The end of term 2 is almost upon us, we have worked on establishing better systems for organizing whanau conferences through Skool Loop, launched our Personalised Learning Plan's, and supported the leadership growth of our student council. We are constantly looking for ways we can improve learning and the learning experience at MAS.

Mrs. Jane Lupton has been appointed the Room 5 teacher for the remainder of 2021, we are pleased to have her join our team.

Understanding the pressures and challenges that children and whanau face is critical to our success as a school. As we conclude term 2, we would like to think that school is a positive experience for our tamariki. We are blessed to have a group of proactive teachers and support staff who are willing to walk alongside our students sharing their learning journey. They work on the idea that relationships impact learning. Next term we'll do it all again.

Looking ahead:

Senior disco
Waitangi Hikoi
MAS talent quest
Year 8 wall of fame
Totara Springs

Nga Manaakitanga
Richard Craig Wilkinson
Principal

***Have a safe and enjoyable school holiday
and we look forward to seeing you again on
Monday 26th July.***

eftpos available for
paying fees,
stationery and
uniforms
Available at the
school office.*

Miller Avenue School—Creating brighter futures, together.

MAS Office

Mrs Parkhill and Mrs Marr, the office ladies at Miller Avenue School would like to express our gratitude to the wonderful student helpers we get in the office. These students volunteer their class time to be at reception and carry out the following duties:

stock the milk fridge, replenish the photocopier paper, take messages to classrooms and greet visitors and parents to MAS. A big well done to all of our “junior receptionists” as it makes our day a lot easier.

We are also very privileged in having our student’s artwork displayed in the office including the Matariki stars pictured below, please come and check it out next time you are at school.

Room 7

CLASS/PORTRAIT PHOTOS

These were given to students yesterday to bring home. Hopefully they have made it home safely to you.

WINTER ILLS AND CHILLS

The winter bugs are out and about and we have had several students away with tummy bugs, coughs and colds as well as one case of strep throat. If your child is unwell please keep them at home until they are better or if you are concerned please get them seen by your doctor. This stops the spread of these illnesses at school. If your child is going to be absent from school please remember to contact the school office of their absence otherwise you will get an absentee text from us. Thank you.

Millyana and Mrs Munro have been busy in the kitchen making delicious cupcakes which were sold recently at our school gala.

Zacqlin has been busy creating STEM projects including this robot called "Ricky" and a mountain that lights up.
