Nga mihi

Today the school council ran a fashion day parade for our whole school. The parade was well organised and those responsible did a great job of running this event. Further to this the School Council along with our house leaders are organising a tabloid sports day for next Friday, 20<sup>th</sup> May. We are hoping the sunny weather will continue till then.

It has come to our attention that a number of students who ride bikes and scooters to school are not wearing helmets.

Our School policy states: Besides walking, active transport to and from school includes bicycles, scooters, skateboards and rollerblades. Students must wear suitable footwear, a standards-approved helmet and any necessary safety gear.

Please help us to help you to keep our tamariki safe.

On Monday Karen and Jacqui from the Tania Dalton Foundation gifted our school 50 rugby and basketballs. This was through a pass it forward campaign. We would like to send a special thank you to the foundation for choosing our school as these are greatly appreciated and will get well used by our tamariki.

Kind regards

Phil Gurnick—Acting Principal

## Room 6 — AHOY Miller Ave Mateys!

Room 6 has been sailing the seven seas with infamous pirates this term. We have learnt to speak like pirates and record our most exciting days in a Pirate's Journal.

We have had to batten down the hatches as storms approached, and after a particularly bad squall, we had to redesign our ship using measurement to ensure that we don't sink in the future.

From our crow's nest, we saw that we were sailing closer to North Africa and spotted Egypt's famous pyramids in the distance. We decided to stop over and learn more about their ancient beliefs, which included some interesting gods and goddesses. By the time we left their dusty shores, we could all walk like Egyptians, just like our parents did way back in the 80's with The Bangles.

If you'd like to follow us on the rest of our exciting journey, please like and follow Miller Ave School's Facebook page.

May you have fair winds and following seas until we meet again!

MAS is starting our PB4L Journey. This is a Ministry Of Education initiative. PB4L School-Wide looks at behaviour and learning from a whole-of-school as well as an individual child perspective. The framework is based on international evidence that can be tailored to your school's own environment and cultural needs.

It's not about changing the students; it's about changing the environment, systems, and practices you have in place to support them to make positive behaviour choices.

The MASCOT will feature our PB4L actions as we engage our whanau in the language and expectations of our PB4L journey.
