Nga mihi te whānau,

MAS is so fortunate to have Mrs Munro who spoils us in the office with beautiful bouquets - all from her own garden. She tends to all of our school gardens with the help of our tamariki making them look beautiful and colourful all year round. She also supports our tamariki in Tupuārangi with the garden to table project ensuring our vegetable patch is bountiful with produce all year round so delicious and nutritious kai can be made.

We truly appreciate all that you do Mrs Munro in keeping our school gardens and office looking beautiful...you really brighten our day!

The lovely weather is upon us, time for a spring clean - so at MAS we are updating and re-organising areas of our school. The staff were busy doing this for our shared spaces for our TOD: mahi nui katoa!

Next week is **Te Wiki o te Reo Māori**: our tamariki and staff will be making a real effort to use Te Reo as much as possible and try some different activities in our afternoon sessions with a buddy class - tuakana teina. Tēnā koe Whaea Liz for organising this.

Check out the website for ways to celebrate next week:

PS: Principal acknowledgement: great letter writing (to Jeremy at Mitre10) from Bayley, Tyrel and Taylor - Tupuārangi Rm 5

This week we are saying "see you later" to our wonderful Kitchen Manager of the LIS (Lunches In Schools) programme. Destiny will be on maternity leave for a year, so we wish her all the best with the impending birth and can't wait to meet your new pepi! The wonderful Amber will be covering the kitchen manager role in that time and we welcome Jess on board to the kitchen staff team.

Next week we are sad to say goodbye to Miss Marisca Britz who has been an AMAZING teacher at MAS, and will be sorely missed by us all (especially the tamariki). We wish her all the best in her new adventure at Avondale College in Auckland. We hope she has many happy memories of her time here - Ka kite ano koe.

Nga mihi nui
Whaea Debs

Miller Avenue School—Creating brighter futures, together.

Ururangi—Room 2

Ururangi (Room 2) is a satellite class of Goldfield's School. We are fortunate to be a part of two schools. Our children often play with Miller Avenue students at lunch time, we share the school pool, we participate in the 'lunch in schools' programme and we have play visits with the new entrant class Waiti.

This term we have been attending weekly assemblies with Miller Avenue School where we are learning to sit, listen and show respect in a large group - as modelled by Miller Avenue children.

We have also been invited to participate in the Positive Behaviour for Learning programme whereby we can give and receive 'tokens' for positive behaviour. This will allow us the opportunity to thank Miller Avenue students who support us, in a tangible way.

We are very thankful for the manaakitanga we experience working alongside Miller Avenue School and feel fortunate to be a part of such a positive environment.

Manaakitanga
*respect, generosity and
care for others*

M.A.S BEST values are:

B— Brave

E— Engaged

S— Sensible

T— Thinking

Welcome to this week's PB4L message:

The school has settled on our 'Simply the BEST' motto, with BEST being our acronym. This encompasses the values of Brave, Engaged, Sensible and Thinking to help guide our journey. This week we have a focus on being "Sensible" and how that impacts on our behaviour and learning.

Sensible in our learning and making positive choices for our behaviour.

This week our Simply the BEST house points competition starts over again. Watch next weeks points arrows to see the progress.

Other PB4L initiatives we have started this week are a lunchtime activity roster that will be organized by the student 'House Leaders', a junior school activity roster will begin next week. We have student Simply the BEST posters in the playground. These students are acknowledging sensible choices and fair play examples of our tamariki.
