## 2nd June 2023 - Week 6

### Nga mihi te whānau,

This week we have continued to have sickness in our MAS community, so thank you everyone for keeping your sick child/ren at home so they can get better. As you are aware, school is a great place to spread bugs! We have a very different public holiday on Monday - the King's birthday. We have not celebrated the King's birthday in our lifetime, so it is a very different celebration - Enjoy your long weekend everyone!

In 3 weeks we will be sending home Mid Year Reports and having Parent/Student/Teacher Conferences at Miller Avenue School.

**Wednesday 21st June from 1.30pm**  
Notices will be sent home closer to the time.

When you come along for conferences, come and see our **ENVIRO** showcase - more information to follow.

**Principal Acknowledgments:** Well done Oscar from Waipuna-ā-rangi for the wonderful work and learning in his Well Being journal.

**ALSO...** the following students from Waipuna-ā-rangi for their fantastic retelling stories: Harlem, Nelly, Luc & Oscar. Ka rawe!!

Also Nyah, Maui & Mia for their **AMAZING** efforts in story writing - from Waiti.

Nga mihi nui  
Whaea Debs  
Tumuaki/Principal

A very happy birthday to **Dreous, Alexis and Mila-Rose** who celebrated their birthday's in the past week.

**We hope you all had a great day!**

# Kia ora from Tupuārangi (Rm 5)

Last week MAS had Whaea Lenny visit the school, focusing on ZERO WASTE. In Tupuārangi we looked at water pollution. This topic was extremely beneficial to us because we are looking at ocean pollution as an inquiry topic to share with you all at the upcoming Enviro-showcase!

One interesting lesson we engaged in was looking at our rivers and oceans. What happens to change crystal clear water, to highly polluted water. What all the small contributing factors are that create one big mess.

A lot of students in Tupuārangi have been loving sports at the moment. Spending time practicing their preferred sport inside and outside of school! Allegra, Aaliyah, Deon'dre, Paige, Kaden and Calais who are all involved in Netball, playing amazingly every Wednesday night!

**Welcome to this week's PB4L message:**

The school is continuing to build on our 'Simply the BEST' values, with BEST being our acronym. This encompasses the values of Brave, Engaged, Sensible and Thinking to help guide our journey.

This Term we have started our wellbeing programme with our facilitator Vanessa McHardy. She is visiting all classrooms weekly to deliver the WhatPONU programme.

This week we were learning about 3 important parts of the brain: the Alarm system (fight, flight, fright), the Mammalian section (emotion) and the Frontal Lobe (thinking). Our tamariki are working toward knowing how to cope with their feelings and reactions through these lessons.

We now want to focus on our home partnerships with whanau and caregivers. Life is busy for us all and we the teachers and staff at MAS appreciate your support. We value the reading you listen to and the forms that need to get signed. We appreciate you getting our Tamariki to school every day and that they have the tools and uniforms accessible for equitable learning and social outcomes.

**M.A.S BEST**

**values are:**

- B— Brave**
- E— Engaged**
- S— Sensible**
- T— Thinking**

Our Te Whare Matauranga (library) is open at lunchtimes for students to read, relax or play inside activities. We have recently run a 'Connect 4' competition which was keenly contested.

Our winning student was **Cora**. **Congratulations Cora, you were humble in your winning ways.**

Students redeem their acknowledgement tokens each week. We have seen a real competition challenge set by some students that are redeeming their tokens towards house points. The winning house will have a special lunch and extra play at the end of the term. Watch our house point competition grow.
