Uruarangi (Rm 2)

The students in Uruarangi have had some great fun out in our community. One of their favourite places is the park at the Paeroa Domain.

Our akonga have been working together to learn to play new games. Rippa tag is the go-to game at the moment.

Science is an awesome way to get our students to work together to figure things out.

They also love it when experiments get a bit messy too!

M.A.S BEST values are:

B— Brave
E— Engaged
S— Sensible
T— Thinking

Welcome to this week's PB4L message:

The school is continuing to build on our 'Simply the BEST' values, with BEST being our acronym. This encompasses the values of Brave, Engaged, Sensible and Thinking to help guide our journey.

We now want to focus on our home partnerships with whanau and caregivers. Life is busy for us all and we the teachers and staff at MAS appreciate your support. We value the reading you listen to and the forms that need to get signed. We appreciate you getting our Tamariki to school every day and that they have the tools and uniforms accessible for equitable learning and social outcomes. We have noticed a rise in mobile phones coming in the senior part of the school. Please be reminded that these are not a necessary tool for learning and in fact they are a huge distraction to our learning environment. If phones are required for after school use please remind your child to hand them into the office for safekeeping through the day.

Students redeem their acknowledgement tokens each week. We have seen a real competition challenge set by some students that are redeeming their tokens toward house points. The winning house will have a special lunch and extra play at the end of the term. Watch our house point competition grow.

Regards
 Whaea Janes
 PB4L Team leader
