1st September 2023 - Week 7

Nga mihi te whānau,

Well done tamariki for being so brave and competing in the speech competition on Wednesday. We were very fortunate to have Mrs Hacker (Principal of Paeroa College) assist with judging. There were great topics that were very informative and close to the hearts of those who spoke.

HAPPY BIRTHDAY TO YOU!

A very happy birthday to **Rylan** who celebrated his birthday yesterday!

We hope you had a great day!

Ururangi (Rm 2)

We have enjoyed getting creative and mixing different colour paints together to see what happens! Our class put this new knowledge into practice when they made some father's day cards.

Students worked on their football skills with Whaea Anna, ahead of the Women's FIFA World Cup. We have a couple of future strikers in class!

Our ākonga are still working hard in the kitchen. They have made a few cakes, some biscuits and even some smoothies. Everything has been delicious!

M.A.S BEST values are:

B— Brave
E— Engaged
S— Sensible
T— Thinking

Welcome to this week's PB4L message:

Another Term has arrived and we see some change for the better happening within our school environment.

The school is continuing to build on our 'Simply the BEST' values, with BEST being our acronym. This encompasses the values of Brave, Engaged, Sensible and Thinking to help guide our journey.

For terms 3 and 4 our guiding statement is;

'Compassion for Others and Our Environment'

This fits so well with Our BEST values and allows us to drill deeper into how we treat others and our environment.

We are seeing some outstanding acts of compassion from our students. These include:

- Partnering others in the break times that find it difficult to maintain friendships.
- The use of kindness when students make mistakes or have accidents.
- Support for those who are showing bravery as a contestant in our speech competition and cross country events.

Our school wide class celebrations are also kicking off with class winners announced weekly.

Regards Whaea Jane
 PB4L Team leader
