9th November 2023 - Week 5

Nga mihi te whānau,

It was wonderful for our students to participate in the Ohinemuri Schools Athletics Competition yesterday. It was our turn to host the event and thankfully we had gorgeous weather and tamariki had an absolute blast. We were very fortunate to have so many helpers to make this day a success. The Thames Valley competition is in two weeks and will be held at the Paeroa Domain.

A reminder that we do not have supervision at school until 8.15am, students are to sit on the coloured benches and enter classrooms at 8.30am. Please do not send your child/ren earlier than this.

Please do not send your child to school with PRIME or any drink other than water.
We are a water only school.

	Week 1	Week 2	Week 3	Week 4

materials coming up to our

Wearable Arts Display.

Alfie and Jackson are superstars! Cleaning up our school during their break time. Showing much **compassion** for our environment!

We are using the MoveWell PE programme. The MoveWell resource guides teachers to develop children's movement skills in an enjoyable, games-centered way. This resource focuses on teaching children the skills that give them the competence and confidence to play games with others and feel a sense of success.

In this picture Tupuārangi are engaging in the game "Satellites".

The challenge in this game is to stop the satellites from crashing back to Earth. By using balloons, children can have a fun game that helps develop cooperation and coordination.

Welcome to this week's PB4L message:

For terms 3 and 4 our guiding statement is:

'Compassion for Others and Our Environment

Our **BEST** values are showing through our athletics where all senior students have tried events even if they are challenged by the skills required. This showed bravery on the athlete's part and also inspired the compassionate side of many who cheered on their courageous efforts.

Well done to the athletes chosen to represent us at the Ohinemuri athletics event this week.
